The diagram illustrates an inheritance relationship. A blue arrow with an open triangular head points from the bottom class to the top class. The top class is white with a black border and contains the text 'boost::statechart::event< EvWaypoint169 < TSource, TOrthogonal > >'. It is divided into three horizontal sections by thin black lines. The bottom class is gray with a black border and contains the text 'cl_move_base_z::EvWaypoint169 < TSource, TOrthogonal >' and '+ waypointIndex'. It is divided into three horizontal sections by thin black lines.
