

smacc::introspection
::SmaccEventInfo::getOrthogonalName

```
graph LR; A[smacc::introspection::SmaccEventInfo::getOrthogonalName] --> B[smacc::introspection::demangleSymbol]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is shaded gray and contains the text 'smacc::introspection' followed by '::SmaccEventInfo::getOrthogonalName' on the next line. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'smacc::introspection' followed by '::demangleSymbol' on the next line. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call.
