The diagram illustrates an inheritance relationship. A blue arrow with an open triangular head points from the bottom class to the top class. The top class is white with a black border and contains the text 'boost::statechart::event< EvWaypoint186< TSource, TOrthogonal > >'. The bottom class is gray with a black border and contains the text 'cl_move_base_z::EvWaypoint186< TSource, TOrthogonal >' followed by a new line '+ waypointIndex'.
