

smacc::introspection
::processTransitions

```
graph LR; A[smacc::introspection::processTransitions] --> B[smacc::introspection::processTransition]; B --> C[smacc::introspection::processTransitionAux];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows pointing from left to right. The first box is white with a black border and contains the text 'smacc::introspection::processTransitions'. The second box is also white with a black border and contains the text 'smacc::introspection::processTransition'. The third box is gray with a black border and contains the text 'smacc::introspection::processTransitionAux'.
