The diagram illustrates a mapping or transformation process. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'cl_move_base_z::CbUndoPath Backwards2::onEntry'. The bottom box contains the text 'cl_move_base_z::CbUndoPath Backwards2::update'. On the right, there is a single gray rectangular box with a black border containing the text 'cl_move_base_z::Pose ::toPoseMsg'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a flow or mapping from the left-hand functions to the right-hand function.
