

smacc::SmaccStateMachine
Base::reset

```
graph LR; A["smacc::SmaccStateMachine  
Base::reset"] --> B["smacc::ISmaccStateMachine  
::reset"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'smacc::SmaccStateMachine' on the top line and 'Base::reset' on the bottom line. The right box is white with a black border and contains the text 'smacc::ISmaccStateMachine' on the top line and '::reset' on the bottom line. A blue arrow points from the right side of the gray box to the left side of the white box.
