```

A diagram showing inheritance. A light gray box at the bottom contains the code for `cl_keyboard::EvKeyPressA`. A blue arrow points upwards from this box to a white box at the top, which contains the code for `sc::event<EvKeyPressA>`. The arrow has a hollow blue triangle at its tip, indicating that `cl_keyboard::EvKeyPressA` inherits from `sc::event<EvKeyPressA>`.

```
{cl_keyboard::EvKeyPressA  
< TSource, TOrthogonal >  
    ||}
