

smacc::standardOnExit

```
graph LR; A[smacc::standardOnExit] --> B[smacc::standardOnExit]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'smacc::standardOnExit'. The right box is white with a dark gray border and also contains the text 'smacc::standardOnExit'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a relationship or pointer between the two.
