

```
cl_move_base_z::undo  
_path_global_planner  
::UndoPathGlobalPlanner  
::makePlan
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. Both boxes contain the same text, which is a C++ code snippet. The left box has a white background, and the right box has a light gray background. The text in both boxes is: `cl_move_base_z::undo`, `_path_global_planner`, `::UndoPathGlobalPlanner`, and `::makePlan` on separate lines.

```
cl_move_base_z::undo  
_path_global_planner  
::UndoPathGlobalPlanner  
::makePlan
```
