

smacc::introspection  
::processSubState

```
graph LR; A[smacc::introspection::processSubState] --> B[smacc::introspection::WalkStatesExecutor::walkStates];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'smacc::introspection' followed by '::processSubState' on a new line. The right box is white with a black border and contains the text 'smacc::introspection' followed by '::WalkStatesExecutor' on a new line, and '::walkStates' on a third line. A blue arrow points from the right side of the left box to the left side of the right box.
