

smacc::ClientHandler
::createComponent

```
graph LR; A[smacc::ClientHandler::createComponent] --> B[smacc::ISmaccClient::createComponent]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a light gray color and contains the text 'smacc::ClientHandler' on the top line and '::createComponent' on the bottom line. The right box is white with a black border and contains the text 'smacc::ISmaccClient' on the top line and '::createComponent' on the bottom line. A solid blue arrow points from the right side of the left box to the left side of the right box.

smacc::ISmaccClient
