

```
{boost::statechart::  
event< EvTrue< TSource,  
      TState > >  
    ||}
```

A diagram illustrating inheritance. A light gray box at the top contains the Boost statechart event definition. A blue arrow points upwards from a darker gray box at the bottom, which contains the smacc event_generators definition, indicating that smacc inherits from Boost.

```
{smacc::event_generators  
::EvTrue< TSource, TState >  
    ||}
```
