

smacc_state_reactor_library

The diagram illustrates the structure of the `smacc_state_reactor_library`. It is represented as a light blue rectangle with a dashed border. Inside this rectangle, at the top, is the text `smacc_state_reactor_library`. Below this text is a solid dark blue rectangle with a solid border. Inside this solid rectangle, on the left, is a smaller light blue rectangle with a solid border containing the text `src`. To the right of the `src` rectangle, within the same solid dark blue container, is the text `sr_all_events_go`.
