The diagram illustrates a dependency chain between three files. At the bottom is a box containing the file path for `sm_packml_node.cpp`. A blue arrow points upwards from this box to a middle box containing the file path for `sm_packml.h`. Another blue arrow points upwards from the middle box to a top box containing the file path for `st_aborting.h`. The top box has a gray background, while the middle and bottom boxes have white backgrounds.
